

Assignment 2. 'Good' and 'bad' research questions

Directions:

Step 1. Think of a topic that you are interested in working on for a project.

Step 2. Think of three (or more) specific questions you can answer about the topic.

Step 3. Phrase those research questions differently, in ways that you think are effective and ways that you think are less effective.

Paste these into the textbook on the Canvas assignment page.

Example:

1) Effective research questions:

(a) {write here}

(b) {write here}

(c) {write here}

.....

2) Less effective research questions:

(a) {write here}

(b) {write here}

(c) {write here}

.....
